DESCRIPTION

Construction of a Park and Ride facility within the National University of Ireland, Galway Campus.

It included a 500 space car park to facilitate a dedicated bus service within the campus.

The project included a new access road to the existing Corrib Village entrance, and construction of 8 new dedicated Bus Stops, and road realignment/enhancements along the 4km internal campus bus route.

The project also included the construction of a car park attendant building M&E infrastructure, CCTV, Communication links and ancillary works.
